Description

Los mapas de carreteras de la colección Regional resultan idóneos, gracias a su escala detallada, para atravesar y descubrir cualquier región. Debido tanto a su actualización anual como a la gran diversidad de informaciones recogidas en sus signos convencionales, mediante pictogramas de fácil comprensión, los mapas Regional ofrecen una cartografía fiable, a la vez que clara, para facilitar su viaje y orientación. La edición actualizada del Mapa Regional Poland North East, editado a escala 1/300 000, incorpora un índice de localidades, cuadro de distancias y tiempos de recorrido entre ciudades, así como los planos de Lublin y Varsovia.
